Dog Area

Compliance with the following rules is required for use of the dog area. Violations will be dealt with accordingly. Only responsible behaviour can ensure that this facility remains available in the long term.

1. Dogs must remain on a leash at all times, including in the water (long leads permitted).
2. Access: After entering the beach area, please follow the path to the left, pass the outdoor showers and continue down to the fenced area. Please do not walk across the lawn.
3. The dog area is not a dog-bathroom. In general please try to avoid allowing dogs to urinate anywhere on the campsite.

We kindly ask you to follow this rule out of consideration for other guests and to help ensure a pleasant stay for everyone. Only then can the dog area continue to be provided.

Thank you for your understanding and cooperation.
We wish you a pleasant stay!☺
